Tabrez Ahmad

Thursday, June 24, 2010
9:00am EST

Dial-in details and report provided upon RSVP

Please join us for a conference call featuring Tabrez Ahmad, author of a strategy paper discussing the Reform and Opening of the Indian Legal Services Market for U.S. Law Firms. Tabrez has Masters degrees in Business Administration, Computer Science and IP laws from prestigious Indian and American institutions. He has over 12 years of diverse experience in law, business development, and public policy advocacy. At Microsoft, he headed Industry Affairs and promoted IP, Tech Neutrality, Interop and Standards. He also led the IT, Telecom, Electronic Hardware and E-Business departments of FICCI and significantly contributed to the IT Act, National Telecom Policy, Innovation Policy, E-filing of patent, Data Protection, Public Funded R&D, and IP laws. He has organized sectoral delegations of Indian CEOs to Japan, UK, Germany, France, Sweden, Norway, Denmark, Latvia, Saudi Arabia, Dubai, Sharjah, Abu Dhabi, Oman, and Indonesia with chief ministers, federal ministers and the Prime Minister of India to discuss policy changes, improvement of the investment climate, reduction of trade barriers, and businesses promotion. He has received multiple awards such as the Circle of Excellence, Citizenship and Worldwide Best Practice for the promotion of legal software at Microsoft. He taught Innovation and IP at the Indian Institute of Foreign Trade and Indian Institute of Information Technology, Allahabad.

the investment climate, reduction of trade barriers, and businesses promotion. He has received multiple awards such as the Circle of Excellence, Citizenship and Worldwide Best Practice for the promotion of legal software at Microsoft. He taught Innovation and IP at the Indian Institute of Foreign Trade and Indian Institute of Information Technology, Allahabad.
